Special Stitches

Bobble: Complete all the following in the same stitch: with contrasting colour yarn, *yarn over hook (yoh), insert hook into st, yoh, pull contrasting yarn through to front, yoh, pull through 2 loops, repeat from * 4 times more (you should now have 5 contrasting colour loops and 1 main colour loop on hook), pull main colour yarn through all the loops on the hook (1 bobble made), continue with main colour, push bobble towards front of work, carry contrasting colour yarn along behind work and crochet next stitches around it to carry yarn along invisibly behind the work.

Front Post slip stitch: complete a slip stitch as normal but insert hook around the stem of the st indicated inserting hook from right to left going from the front to the back and then round to the front again.

Front Post double treble: complete a double treble st as normal (the stitch starts by wrapping yarn around hook 3 times) but insert hook around the stem of the st inserting hook from right to left going from the front to the back and then round to the front again.

Pompom Bobble: Make 4ch, dc4tog in third ch from hook going under both top and back strands of the chain, 3ch, dc4tog in third ch from hook going under both top and back strands, ss to first ch of beginning 4 ch going under both top and back strands, make 1 ch.

Double treble two stitches together: work a double treble st as normal (the stitch starts by wrapping yarn around hook 3 times) but stop at final yoh when there are two loops left on hook, work another double treble into the same st as indicated and stop at final yoh (there should now be 3 loops on the hook), yoh and pull through all 3 loops.

Pattern Notes

- There are some variations in the colours between using the Cottonsoft and Big Value yarns. Some colours are very similar and share the same colour name, whereas others are slightly different. All the colours for both versions have been carefully chosen.
- The Cottonsoft DK yarn crochets with a different tension than the Big Value DK, hence a smaller hook size is recommended.
- The starting/turning chains count as the first stitch of each row or round unless otherwise indicated. It may help to put a stitch marker into the top of the starting/ turning chains at the beginning of each round or row making it easier to identify them as a stitch and the correct place to insert your hook at the end of the round or subsequent rows.
- When changing colours in a row, join the new colour by pulling it through at the final yoh (yarn over hook) of the stitch as indicated.
- After changing colours, fasten off the previous colour yarn unless otherwise indicated.
